**Luz Guerrero Early College and Adalberto M. Guerrero Middle School**  
**Bus/Shuttle Transportation Agreement**

By signing this Bus/Shuttle Transportation Agreement, the student, the parent/guardian and the school acknowledge and agree to the following: It is the responsibility of the parent to transport the student to and from school on a daily basis. However, the school may provide no cost, limited transportation by bus/shuttle services to students on a first come first serve basis. Shuttle services are limited to students participating in after school tutoring. There is no guarantee that bus/shuttle services will be provided for your child. However, when we receive this completed form, your child will be assigned a seat on the bus. Parents will be responsible for any damage that occurs in the area where their child has his/her seat assigned on the bus or shuttle.

In order to insure the safety of students and drivers and for a timely arrival at school and home for each child, it is the policy of Luz-Guerrero Early College/Adalberto M. Guerrero Middle School to provide parents and students with guidelines for students using the bus/shuttle services.

- Students must be at their assigned stop 10 minutes early and must be ready to go without delay.
- Students will be respectful and courteous towards the drivers and other students on the bus at all times. We expect high standards of personal conduct of every student.
- Students must check in with the driver upon boarding the bus/shuttle.
- No smoking, chewing gum, or drinks (other than bottled water) are allowed on the bus.
- No throwing items, putting head, arm or body out of the windows, horseplay, jumping on seats or over seats at any time. Students should refrain from leaning head or feet on windows.
- Vandalism will not be tolerated. Repairs or replacement cost will be the responsibility of the parent/guardian.
- Students should not yell, scream, cuss nor use profanity in the bus/shuttle.
- Students are only to board/de-board at assigned location. Do not ask to be dropped off at any other place.
- No unauthorized riders are allowed on the bus/shuttle. Do not ask to have anyone else ride the bus/shuttle.
- If there are any concerns or problems while on the bus/shuttle, they are to be reported to the driver immediately.
- The parent/guardian is encouraged to contact the school and request a conference any time there may be a concern regarding their student and transportation services that may interfere with his/her safety or the safety of the other students and drivers.
- Students that do not abide by these guidelines or create a situation that is deemed to compromise the safety or quality of the transportation services may be subjected to disciplinary action and/or loss of transportation services.
